

About Us

AllyHealth is more than a telehealth company - we are your ally. Let us help you improve health and wellness for your members, increase productivity, decrease healthcare costs, and enhance your benefits plan with our industry leading engagement and utilization.

COMPREHENSIVE TELEHEALTH THAT YOUR EMPLOYEES WILL ACTUALLY USE

With AllyHealth's unique suite of virtual care services and support, you can feel confident in the services provided. AllyHealth's benefits delivery platform (Mobile App) provides easy access in one place for employees to know how to utilize their benefits effectively, and our Guaranteed Engagement Program™ delivers industry-leading engagement and utilization, guaranteed.

OUR SOLUTIONS

TELEMEDICINE

Give your employees direct phone or video access to family doctors and pediatricians for consults, diagnosis, treatment, and prescriptions for a wide range of common health conditions treatable

EMPLOYEE ASSISTANCE PROGRAM

Our EAP combines the power of our lifestyle, coaching, and clinical services, creating an all-in-one employee assistance solution providing in-the-moment care that promotes confidence and productivity.

MENTAL HEALTH

Provide access to real mental health support (not just an app) with convenient virtual visits with our national network of talk therapy and psychiatry providers by phone or video.

HEALTH & WELLNESS COACHING

Looking for a way to help your team live a happier, healthier lifestyle? Our virtual coaches can help with your employees' personal wellness goals like getting fit, eating healthier, and more.
